SPEECH - CARLTON CENTRE - SAHETI FOUNDATION - OK GOLD BOWL.

I have a number of jobs this evening
Ladies and Gentlemen,

I as well wish to thank you all for your wonderful and generous support in partaking in this evenings competition. As you are aware the funds are going towards the maintenance and improvement of the Saheti school. A school which features very prominently in the education circle in the Republic of South Africa. A school which in its brief history, has made its mark in all spheres of education.

Without the assistance of people such as yourselves, we could never continue with the activity of Saheti. It is you that has made Saheti a success. You have made it worthwhile for the Saheti Foundation to continue and seek to raise funds in order to assist the school wherever possible.

Needless to say, you are all aware ~~and~~ how difficult it is to finance private education today. Therefore, the Saheti Foundation is committed through people such as yourselves to continue and assist Saheti wherever possible. We are indeed proud and if at any time any one of you wish to pay a visit to the school, please do so, it will only be a privilege and pleasure to show you around the school.

Thank you one and all for your wonderful support.

However, this is fun evening, we are here to enjoy ourselves, we are here to see who the lucky winner is, but at the outset I do feel that all of you are winners because you have participated in assisting Saheti.

We are pleased that the Saheti Foundation is able to entertain you in this manner, you the sponsors and advertisers of Saheti. We have seen fit to hold this light-hearted competition and entertainment this evening, as a gesture of appreciation for your wonderful sponsorship that we have enjoyed.

Yes - Ladies and Gentlemen, we have all heard about it from our friend Francois Wolfaardt. I don't know if he has managed to find the lucky number already, or if he has had time to discuss the competition with his friend Costa. I have no doubt Mr. Wolfaardt, that you are not going to enjoy your half a loaf and polony from your friend Costa, and may I suggest that you hang around and we will see if we can give you a meal this evening - unless you have managed to find the lucky number.

Friends, I don't think any of you here this evening have got the lucky number.. At the outset we sought to find 500 sponsors which obviously means that there would have been 500 participants this evening. At this point in time we only have 370 sponsors and for the Foundation to at least break even and make it worth its while we need a minimum of 450 sponsors.

I have a list of sponsorship vouchers that have not yet been taken up and there is still time to sponsor the Saheti Foundation.

If there are any individuals that are itchy, if there are any individuals this evening who feel that they should have another number running for them, it is only a pleasure, put up you hand and we will let you have the number that you wish to have.

THE FOLLOWING TICKET NUMBERS ARE STILL AVAILABLE

TAX.
This is the opportunity for those who wish to chance their luck by buying that last minute ticket before the draw starts this evening. Please raise your hands, let me see who wants to chance his luck. If you have not got your cheque book with you, no problem I promise you, your name is good enough. Just raise your hand and we will come around with the voucher. To fill it in it will only take a minute and naturally we will arrange to collect the R2 000.00.

LIGHT HEARTED I must of course, warn you that should you win the R200 000.00 and not have paid up your R2 000.00, we will simply just have to knock it off your prize money.

LADIES I am certain there are a lot here this evening who would like to have another run. Come along ladies, I think in most cases, it is the husbands who have the number running for themselves, why don't you just make things difficult for your husband or partner and get another ticket, please help us. I know it is a bit embarrassing at the last minute to try and pawn off a few tickets, but every penny helps and besides that the winning numbers are in our possession. so come along let me see your hand.

LUCKY NUMBERS Come along lets get on with the show, raise your hands so that we can commence with the drawing of the lucky numbers.

Ladies and Gentlemen, we are at the stage now where we have had the individuals who are interested, take up additional tickets.

MOVE INTO SYNDICATING TABLES

Antag Syndi to I want to give it one last push, how about every table syndicating among yourselves and taking a ticket per table. Lets see which table will be lucky. It will only cost a couple of hundred rand per couple, but once again you know the cause, and above all, this maybe your lucky night. This maybe your group's lucky night and not necessarily that of any one individual sitting at your table. So why not help yourselves while you are helping us.

Thank you ladies and gentlemen, we have managed to enjoy the support of another sponsors for which I thank you all. If there are no more takers for the last time, I would now like to hand over to Mr. De Beer and Mr. Wolfaardt to carry on with the show.

Thank you, thank you to one and all and the best of luck.

Don't forget that all those who end up with a horse running for them are invited to Mr. Gerondoudis' residence for lunch and to enjoy the

running of the Gold Bowl race, whereafter the winner will be given his/her prize. If it is a syndicate that has bought the ticket the whole syndicate is invited to lunch with their partners.

Thank you folks, over to you Mr. de Beer, Mr. Wolfaardt, thank you.
